## Special Education Compliance

## Things Charter Schools are doing well:

- ★ Parental involvement
- ★ Special education staff
- ★ File transfer requests
- ★ Preparing for special education population
- ★ Small class sizes

## Common mistakes to avoid:

- ★ Placement and predetermination
- ★ Not following IEPs & not providing related services
- "We don't/can't do that here"
- ★ Determining amount of service based on staff availability
- ★ Not following transfer file procedures
